### Educational items for students to own

St. Arnaud Secondary College recommends you purchase items from Champion Books for your child to individually own and use. The Champion Books booklist is provided as an online service and is located on the College website <https://www.starnaudsc.vic.edu.au/>

**BYOD** - St. Arnaud Secondary College invite parents to supply or purchase digital devices to use and own as part of the College's Bring Your Own Device (BYOD) program.

There is no requirement that new devices (BYODs) be obtained from any particular supplier or company. However, to assist with students wanting to purchase a new device we have setup a portal with Learning with Technologies (LWT). Even if you decide to obtain a device from somewhere other than LWT it is worth looking at the LWT portal to get an indication of appropriate devices and costs.

Windows BYODs can be purchased from Learning with Technologies (LWT). Students can access the LWT portal using the following link <https://sasc.orderportal.com.au/>

- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
