# **NCD Inter Triathlon**

The North Central Division Triathlon was held at Boort on Thursday 4<sup>th</sup> of March. Schools were able to enter teams or individuals. St. Arnaud Secondary College had six individual entries and twelve team entries, for a total of 37 students. This year saw approximately 60 team entries and 60 individual entries across 9 schools, a total in excess of 250 students participating.

The triathlon was held around Boort Lake. Students began by running one lap of the lake, a distance of four kilometres. Then the riders in the team event had to complete 4 laps of Lake Boort which was the equivalent of 16 kilometres, whereas the bike leg in the individual was 3 laps (12km). Finally the swimmers had to complete a 300 metre swim in the pool.

We had some fantastic efforts throughout the day, including Millie Hando, Abby Weir and Scarlett Hand who placed second in the junior female team event. Sam Male, Zack Weir and Jesse Amos placed second in the intermediate male team event, and Owen Lowe and Keegan Amos placed 3<sup>rd</sup> in the junior male individual and intermediate female event respectively. All students are to be commended on their efforts as completing a triathlon is no easy feat and a great personal challenge!

The College would once again like to thank Wayne and Flo Andison for assisting with making trailers available to help transport the bikes to Boort. Thanks also to India Griffith and Tony Hand for their assistance on the day!

# **Studio Art Excursion**

On Wednesday 3<sup>rd</sup> of March, Years 11 and 12 Studio Art students attended an Inspiration Day at Bendigo gallery. The day began with a tour of the current exhibitions. One exhibition in particular was by artist Peta Clancy called Undercurrent. Helen Atrill, the education liaison, explained the artist's process to students. Clancy had travelled to a massacre site and took photos many times over a year. She slashed photos and took more photos with the original photos in the foreground. She recorded the sounds under the water to create the soundscape in the exhibition. It was a haunting and beautiful exhibition. It was also exhibited with art from the gallery collection dating back to the 1850's showing the upside down landscape of the goldfields.

After the tour we sat through a series of lectures from curators of the different exhibitions explaining the process from coming up with an idea, through to working with the artist and then the actual layouts of the art in the galleries. One exhibition was a collaboration between an artist and a scientist who has built her own laser microscopes.

The highlight of the day was hearing past students talk about their own studio process in Year 12 and their tips for students.

Overall, it was a very interesting and motivating day.

An EFTPOS terminal has been installed in the General Office for payments to the College. Transactions are for card tap use only.

Family Statements – Family Statements have been posted and emailed to families. If you have not received your statement please contact the General Office.

#### **Parent Payment Arrangements and Options:**

# The G.H. Edwards Library News

New Books have arrived and are on the shelf for student borrowing.

The Library is open recess and lunchtime for borrowing.

# **Tiger Heart**

Author: Penny Chrimes

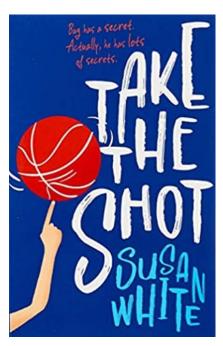

One magical friendship. One roaring adventure.

The magical tale of a bold young chimney sweep and a remarkable tiger, a dangerously hypnotic ruby and a mystical land found across an ocean and through a storm. Perfect for fans of The Girl of Ink and Stars and Pax.

Fly never meant to end up in a cage with a man-eating tiger. And though she's no princess, when the tiger bows to her, she can't help vowing to free him and return him home.

But the bird-filled jungles and cloud-topped mountains of the tiger's homeland are an ocean away. And not everyone wants the tiger to return.

With dark and dangerous forces working against them, will Fly be able to fulfil her promises, keep them both alive and - just maybe - become the queen her tiger knows her to be?

# Take the Shot

Author: Sue White

Bug has a secret. Actually, he has a lot of secrets.

- 1. He's formed a basketball team at his new school based on a giant lie.
- 2. His parents don't know he's playing basketball again.
- 3. His new team-mates have no idea he isn't allowed to play, and they definitely don't know why.

Bug will do ANYTHING to keep his secrets, keep his new team and keep his life from falling apart. Because no one can know The Biggest Secret of All: Bug risks his life every time he steps out onto the basketball court.

#### Work experience at GTAC

The Gene Technology Access Centre (GTAC) is proud to offer an engaging and rewarding work experience program for Victorian students in Years 9-11. The program, known as our Science Immersion Research Experience (SIRE) program, provides students the opportunity to work within the GTAC team. This can involve using research grade equipment to conduct cutting edge science experiments, pursuing small research projects, tours of world class science research facilities such as CSL and The Walter and Eliza Hall Institute of Medical Research, and assisting team members in preparing and delivering educational programs.

For further information about the program or to express an interest in undertaking work experience, visit:

#### Why Women in Trades Matter

It's a common misconception that apprenticeships and traineeships are "trades only" or "male only" study paths. In the current day and age, women working in trades matter; they bring value to an organisation and have the potential to change the future of the workforce.

If you're a girl and you're thinking of doing an apprenticeship or traineeship, SkillsRoad has put together a great guide packed with info you need to know about the benefits of a career in trades and the pathways that can get you there.

#### Check it out here:

www.skillsroad.com.au/SR/files/df/dfba5a9a-265b-4a65b0fe-6d38784bdabf.pdf

#### TAX FILE NUMBER (TFN)

Any student will need at tax file number if he/she starts work (part-time and full-time), and all students planning on a tertiary education require one when they start. Importantly, current Year 12 students are reminded that they will be requested to provide their Tax File Number (TFN) on enrolment to TAFE or university next year, so it is worthwhile getting an application submitted early! Students must now apply for a TFN online and have their identity verified through an interview at a participating Australia Post office.

#### What are VET Pathways?

Did you know that university isn't your only option after leaving school? Vocational and Educational Training is a great way to get you skilled and ready for work, and is often faster than traditional university pathways.

#### School to VET

Many VET courses have no prerequisites for enrolment, meaning you can start no matter what ATAR you get or which subjects you studied at high school. Some courses you can even study while you're still at school through a VET in school program. You could also get paid while you learn by starting an apprenticeship or traineeship.

#### **VET to Uni**

Getting a VET qualification can also be a great pathway to university if you don't meet your dream course's entry requirements straight out of school. Many universities will accept Certificate IV and higher qualifications for entry into most courses. Plus, doing a VET course first can be a great way to get a feel for what studying is like, and you might even want to go straight into work instead.

#### **Career Changers**

If you work in the same job for a while but just find it isn't for you anymore, VET is a great way to get reskilled quickly and into a brand new career. Some courses can be completed in as little as six months, meaning you can jump into your new job sooner. And it doesn't matter how young or old you are — anyone can study a VET qualification.

# **Expressions of Interest for Camps**

Dear Parents/Guardians,

Organisation for the Year 10/11 Snow camp is underway as well as organisation for the Year 9/10 Melbourne Experience and the Year 9/10 Environmental Awareness Days. All camps are to be held during Term 3. This letter is being sent to you as we need to confirm your child's proposed attendance in the programs. RETURN the forms on the next page.

- The 10/11 Snow Camp is to be held from Tuesday 3<sup>rd</sup> August and returning Friday 6<sup>th</sup> August,
- The 9 Environmental Awareness Days are to be held on Monday 16th August and returning Tuesday 17th August and is followed by
- The 9/10 Melbourne Experience to be held on Wednesday 18th August and returning Friday 20th August

### Costings for the SNOW camp include:

 Meals and accommodation on Mt Buller, Ski/Snow Boarding Equipment including boots and helmets, three Day Lift passes and lessons and Bus/car travel.

There is an extra cost for hire of ski jacket and pants (some students have their own so this is a separate costing) –Payment will be added to your account as appropriate.

\*Students must provide their own goggles and waterproof gloves (these are not for hire due to the frequency of them going missing). These must be purchased prior to the camp and cost approximately \$20 (for the lower quality).

We are aware some students have already made a deposit or fully paid for the camp last year but if you have not you are now required to make a deposit for the SNOW CAMP by Friday 19th March – please return the attached payment advice to school. The full amount needs to be paid no later than 28th July 2021 (one week prior to the camp). Payments can be made in instalments and you can contact Kerrie Swanton to make such arrangements. Instalment amounts could be as follows:

March 19th: \$150 deposit to secure a place, April 28th: \$250 payment, May 25th: \$250 payment, June 25th: Approximately \$150 (plus extra costs for optional equipment/activities) TOTAL: \$800

### Costings for the Year 9/10 Melbourne Experience include:

Meals and Accomodation, Event entry tickets and Car/bus Travel TOTAL: \$400

#### Costings for the Year 9/10 Environmental Awareness Days

No Charge to students as this program is funded through government program.

If you have any questions please feel free to email me using: <u>Trudie.Jackson@education.vic.gov.au</u>. If you have any questions regarding payments please contact our school Business Manager, Kerrie Swanton.

# Please note the following:

- Attendance at Webex classes is like classes at school it is compulsory. Rolls will be marked as in a normal class.
- Absences require notification
- Students are expected to have their camera on at all times and be in the picture.
- Students should enter classes with their microphones muted.
- Year 10 12 classes will run on the full timetable.
- Year 7 to 9 classes will follow the highlighted classes.
- Classes will be in session for 40 minutes (80 minutes if it is a double) to allow students and staff to have a 10 minute break between lessons.
- Compass will be used to provide work and for student submission of work.
