## **Hits and Giggles Community Event**

Last Friday evening the 'Hits and Giggles' event took place at the St. Arnaud Tennis Courts and what a great community event it was! This was the first event of its kind devised and organised by our College Captains for our community. With 35 teams entered in three divisions, social tennis was on display, and it was great to see everyone having a go – from people who had never picked up a racquet (or it felt like more than a lifetime ago!) right through to regular Saturday tennis players – everyone clearly appeared to be enjoying themselves. With wood fired pizzas, baked potatoes and a variety of sweet options, there was plenty to eat and drink as well as face painting, a jumping castle, mega Jenga for some of the younger people attending or people who weren't playing. There was also a raffle and the Tennis club opened the bar for the adults in attendance.

An event like this does not just 'happen' and I would like to publicly thank Izzy Hand and Rogan Hando for their commitment to get this done with very clear assistance from Tania Scarce, Bree Alexander, Amy Greenaway and Phoebe Hendy. Thanks also to the Tennis Club (Sanga and Chris) for their support and other staff and parents who helped pull everything together or man stalls. Finally, thanks to the St. Arnaud Community who clearly got behind the event either playing, attending, or supporting – there certainly was plenty of 'Hits and Giggles' on the night.

## **Interhouse Athletics**

A really nice day greeted students on Monday which just confirmed the right call had been made to postpone the athletics for a week. Student numbers were pretty good on the day, but the number of students who refused to participate in any events was a little bit concerning. As we have pushed for more than 6 years, participation, or having a go, is one of the values that we try to promote at the College, even if it is something that you 'don't like.' That aside, we were really pleased with the students who got in and had a go – and again, this started with our Year 12 students who led from the front in not only participating, but encouraging others to have a go.

## **Diversity Dash and End of Term**

We will be finishing Term today with the Diversity Dash and if it is anything like last year's event, it will be a great success.

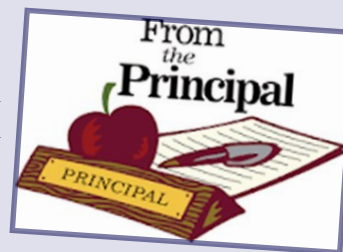

## **Year 9 School for Student Leadership**

At the start of next term, we farewell 5 Year 9 students who will be heading off to the Don Valley Campus of the School for Student Leadership (SSL). Josie G, Acacia H, Jade S, Christopher C and Will K-T will spend the first 8 weeks of Term 2 at the newest of the four SSL campuses and we would like to wish them all the very best. I am really excited for them as I know they will have a great experience and it gives me an opportunity to visit the one campus I have not been to over the years. Good Luck guys and enjoy the experience.

## **Pupil Free Day Monday 24 April**

Just a reminder to all students and families that Monday, 24th April is a pupil free day and students return for Term 2 on Wednesday, 26th April.

## **ANZAC Day**

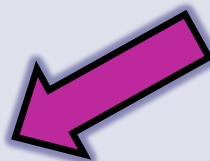

As is tradition, our College Captains will be participating in this year's ANZAC Day celebrations in St. Arnaud. The service begins at 10:00am at the cenotaph near the Town Hall and moves to the RSL Hall for the official service. Students from all three schools will be participating in the RSL Hall service and we encourage any students, parents and staff to attend.

## **Parent Teacher Interviews – 2nd May**

Just a date of your diaries – Parent Teacher interviews will be conducted on Tuesday 2 May. As usual, Year 11 and 12 classes will run as normal on the day and there will be an interview booking process on Compass which will go live at the start of next term. If you have any questions about this, please do not hesitate to ask.

## **Easter Break**

This has been an action-packed term and longer than we are all used to. I hope that everyone gets the opportunity to have a break over the holidays and come back refreshed and ready to go. For students in Years 11 and 12, this is not a 2.5 week break – make sure you take the time to make sure you are not only up to date with your work, but also revise then work and concepts that have been completed so far in Step Up and Term one. Most importantly for everyone – Stay Safe!

**Monday, 24th April – Pupil Free Day**

**Tuesday, 25th April – ANZAC Day**

**Wednesday, 26th April – Students return for Term 2**

**Tuesday, 2nd May – Parent Teacher Interviews**

# 'Hits & Giggles' Event

## Hits and Giggles - organised by the School Leaders!

On Friday, March 31st, the St. Arnaud Secondary College leaders held their first community event. This idea was dreamt up last year and quickly became a reality with the support of the school's incredible staff and the St. Arnaud Lawn Tennis Club.

With no idea how many teams would enter, the leaders were ecstatic with the number of submissions. A total of 35 teams, 23 in the Open Sector, 6 in the Secondary Sector and 6 in the Primary Sector, all locked in by March 17th. The competitors ranged in age from 10 to 70, which was a fantastic show of support by our incredible community.

The leaders worked incredibly hard over the coming weeks, contacting businesses, organising catering and a range of activities for everyone. There was plenty to do for people who were not interested in tennis. There was a jumping castle for the kids, popcorn, fairy floss, slushies, wood-fired pizza, spike ball (which was very popular throughout all ages), baked potatoes, lucky tickets, giant Jenga, awesome music and face painting. The crowd was exceptional, with about 120 people, each with a massive smile on their face, which represented our supportive St Arnaud community.

The winners for each event included:

- Primary: Sam and Daniel Greenaway
- Secondary: Austin Lowe and Ben Greenaway
- Open: Thomas Watts and Owen Lowe

The leaders are incredibly proud of the event, and the support that it gained, especially seeing everyone having a great time with a smile on their face. There has been an astounding amount of positive feedback from within the community and they look forward to being able to organise more events to bring everyone together and promote positive community spirit.

The school leaders would like to extend a very special thank you to the following people:

- St Arnaud Lawn Tennis Club - Especially John Goode for his dedication in preparing the courts and his incredible support in making the dream a reality.
- St Arnaud Hockey Club - For lending us their fairy floss machine
- St Arnaud Country Kitchen - For lending us their slushie machine.
- St Arnaud Primary School - For lending us their baked potato machine, and their popcorn machine.
- Wood Fire Pizza 2 You - For their delicious wood fired pizzas.
- Charlton Lions Club - For running the jumping castle for the children on the night.
- Jen Greenaway - For her incredible face painting skills
- Tania Scarce - For her incredible support and for the enormous amount of work that she did in helping organise and run the event.

# 2023 House Athletics

After postponing due to bad weather, the College's Annual House Athletics was held on Monday the 3<sup>rd</sup> of April. The change of date proved to be a stroke of genius (and a large amount of luck) as the conditions were perfect for some healthy competition amongst students and staff.

Any excuse to dress up in house colours and outfits is always welcomed with tutus, capes and other fancy dress all making an appearance. A very big congratulations to all the students who participated – earning points for their house and making it an enjoyable day. Thank you to all House Captains and Vice Captains for organising their houses and making sure students didn't miss their events. Participation appeared to be higher than in recent years which is a real positive.

Records broken on the day were as follows:

	<u><b>NEW</b></u>	<u><b>OLD</b></u>	
Boys 17yrs Triple Jump	Tyson Funston (H) 11.70m	Rhys McDade 11.23m	2004

It was great to see so many parents attend and support the students throughout the day. Thanks must go to the Northern Grampians Shire for the use of Lord Nelson Park and the facilities, Kevin Goode for marking the track, all parents who attended, students who participated and staff who acted as officials and organised the canteen.

## **Individual Champions:**

12-13 years:	Sami Weir (H) and Forbes Kirk (M)
14 years	Jordana Bullock (W) and Bob Donald (H)
15 years:	Scarlett Hand & Millie Hando (H) and Frankie Donald (H)
16 years:	Abby Weir (H) and Owen Lowe (H)
17 years:	Demi Leach (W) and Tyson Funston (H)
18-20 years:	Keegan Amos (W) and Sam Male (W)

## **Final Scores**

1 <sup>st</sup> : Holmes	2046 pts
2 <sup>nd</sup> : Willmott	1711 pts
3 <sup>rd</sup> : Morshead	1443 pts

# Flourish Girl Program

Community Bank  
Avoca, Maryborough and St Arnaud

**B Bendigo Bank**

Last Friday, we had the team from Flourish Girl, Nat and Jess visit and conduct a session with the Year 10 and 11 cohort.

The session aims to create safe spaces for girls and teachers so they can equip themselves with social and emotional tools they need to navigate through personal and relationship challenges.

The day was conducted for the students with the assistance of a grant provided generously by the Community Bank. The Flourish Girl session comes at a very important time for the College as we embark on building our students overall sense of self awareness, and the realisation of activating their own leadership potential. This we feel is imperative to a positive lifelong journey in our society and allows for meaningful purpose in our community. Thanks to the Community Bank and our Flourish Girl Team.

## Yr. 12 Food Studies

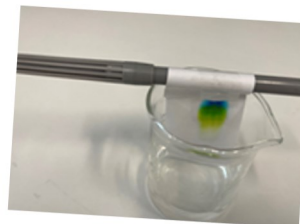

Term 1 Week 9; the Year 12 Food Studies cooked chicken, lemon and pea risotto, and berry muffins for dessert. The students also looked at the difference in making fresh vegetable rice and pre-packaged vegetable rice, and taste tested lunchbox muffins. These all form the topic of healthy eating for children which we are covering in the theory classes. The idea of the vegetable rice is to replace a serve of carbs (rice) with a serve of vegetables (Cauliflower/Broccoli Rice).

How do we encourage children to choose healthy options? Do we encourage them to help with shopping, preparation and cooking? Research states that it takes 15 repetitions before a child is willing to try and accept a new food.

In Science this week, the students started looking at separating mixtures. The students undertook three practical investigations, the first being how to filter water. This was related back to a simple version of how a fuel filter or oil filter work to remove unwanted particles. The second investigation was separating colour; photos attached. The third investigation was to create a water still, if stuck in the bush or outback, and how to collect water.

# Hands On Learning

On the 31st March, we headed up to the St. Arnaud Netball Courts to finish off the retaining wall. The area now looks great and is now complete.

Our Year 7 Hands on Learning & some Year 8 students enjoyed adding a touch of colour to our Diversity Dash 'Finish' banner. Look at the finished product !!

# Student Exchange Program

## Host an exchange student in 2023!

### Ready to welcome a new culture into your home?

There are so many reasons why a family may choose to host an exchange student!

-  Rediscover your backyard through new eyes!
-  Understand another way of life and a different way of thinking!
-  Gain a new family member and help make an exchange student's dream come true!

### Who are our host families?

Host families are volunteers who open their home and hearts to international exchange students.

Families come in all shapes and sizes. They live anywhere in Australia, from beaches to cities to farms!

Host families integrate their exchange student into their daily life. They are caring and open, and many form strong bonds and become friends for life!

## My Sister Sif

*By Ruth Park*

Erika Magnus, a 14 year old stirrer with a sky high IQ and complete confidence in herself, decides she must look after her older sister, Sif, and help her escape back to their Pacific island home.

When Harry, a young American scientist, falls in love with Sif, Erika takes it upon herself to enlist the help of some extraordinary islander friends to chase him away.

But even in this Pacific paradise the din of the encroaching world is beginning to drown out the singing of the whales, and Erika finds that it is her gentle sister, Sif, who is destined to show her, as well as Henry, the beginnings of an answer.

## The Siren

*By Kiera Cass*

From the New York Times bestselling author of The Selection series comes this sweeping standalone fantasy romance. A girl with a secret. The boy of her dreams. An ocean between them.

Throughout the ages, the Ocean has occasionally rescued young women from drowning. To repay their debt, these young women must serve for 100 years as Sirens, remaining young and beautiful and using their deadly voices to lure strangers into watery graves. To keep their true nature secret, Sirens must never speak to humans, and must be careful never to stay in the same place for too long. But once her century of service is over, each Siren gets a chance to start over— a chance to live the mortal life that was almost stolen from her.

Kahlen became a Siren after her family died in a terrible shipwreck, decades ago. And though a single word from her can kill, she can't resist spending her days on land, watching ordinary people and longing for the day when she will be able to speak and laugh and live freely among them again.

Kahlen is resigned to finishing her sentence in solitude...until she meets Akinli. Handsome, caring, and kind, Akinli is everything Kahlen ever dreamed of. And though she can't talk to him, they soon forge a connection neither of them can deny... and Kahlen doesn't want to.

Falling in love with a human breaks all of the Ocean's rules, and if the Ocean discovers Kahlen's feelings, she'll be forced to leave Akinli for good. But for the first time in a lifetime of following the rules, Kahlen is determined to follow her heart.

## Health & Wellbeing

Our school offers breakfast on Tuesdays and Thursdays. Students have toast, milk, fruit, and we also do special breakfasts, for example, Pancakes. Come along!

At St. Arnaud Secondary College we can organise Food Bank Hampers for families. If your family require assistance, please contact Rosanne Chapman, Student Wellbeing Student Support Coordinator, at the College on 54951 811.

Inquiries are treated confidentially.

We thank Foodbank Victoria for helping us to support our families.

## Strengthening Parent Support Program

### What is the Strengthening Parent Support Program (SPSP)?

It is a program for parents and carers of children who have additional needs, a disability or developmental delay.

This parenting support program provides families with opportunities to participate in peer support groups and establish support networks with other families or carers in the local community.

The SPSP program is run by Uniting in Horsham but also reaches communities in the surrounding regional areas. Please contact the co-ordinator Kate Janetzki for further information.

You can also keep up to date by joining our Facebook page; <https://www.facebook.com/groups/390018412226828>

Support group activities may include a night out at movies and dinner, an informal lunch and chat or seminars/workshops covering a range of helpful and educational topics.

## PHYSICAL ACTIVITY

ACTIVE APRIL

### Do you know how much movement your body needs each day?

It is recommended that all children aged between 5 and 17 years old complete 60 minutes of physical activity each and every day to support their health and happiness. Toddlers and preschoolers need even more than that, with a recommended 3 hours of activity per day!

Physical activity is anything that gets your body moving, makes you breathe harder and faster, and speeds up your heart rate. It doesn't need to be formal, or a part of a sport or gym session. It can be as simple as walking the dog!

### There are many different ways to stay active, what are some of your favourites?

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

### Benefits of daily physical activity include:

- Stronger muscles and bones
- Stronger mind
- Better concentration
- Lower stress and anxiety
- Increased energy
- Better sleep
- Overall better health and wellbeing!

## E-CIGARETTES & VAPING

### WHAT WE NEED TO KNOW

While most people do not use e-cigarettes (also known as vapes), the number of young people who are using them (vaping) is increasing, and that's a concern for the health of our communities.

- There are no quality or safety standards for e-cigarettes so they could be made anywhere, by anyone and contain anything.
- Many vapes contain addictive nicotine, even the ones that say they don't. They just don't put it on the pack.
- Vapes contain the same toxic chemicals found in cleaning products, nail polish remover, weed killer and bug spray. These chemicals do not belong in our lungs.

### E-cigarettes / vaping and the law

- Smoking and vaping are banned in the grounds of, and within 4 metres of entrances to: childcare centres, kinders and schools.
- In Victoria it is illegal to sell e-cigarette devices or e-cigarette accessories containing nicotine.
- It is also illegal to sell e-cigarettes to, or buy e-cigarettes for, any person aged under 18 years.

#### School Support

Fundraising is a fun, rewarding way for schools to make a difference in the lives of veterans' families.

Fundraising encourages charitable giving and gives your students a true understanding of the support Legacy provides to families who have sacrificed so much.

The major public appeal will be held Sunday 27 August to Saturday 2 September 2023. Badge Day will be on Friday 1 September 2023

If you wish to fundraise at your school and help Legacy families, please email [marketing@legacymelb.com.au](mailto:marketing@legacymelb.com.au)
