Principal: Tony Hand

Principal's Report

Semester 2 Start

On Tuesday, following the long weekend, students began their Semester 2 studies. For many students, especially the senior students, this will mean no change at all, while for our junior students some changes in timetable will have occurred. The reason this change occurs now is so that there is no 'down time' following completion of Semester 1 assessment and to even out the semesters as we do 'Step Up' at the end of the year which starts the next year's Semester 1 studies.

Student Reports

Staff have been very busy compiling student reports for the end of the Semester, and they should all be in the proofreading phase by now. Year Level Coordinators and Home Group Teachers read through their respective year level reports and then make an overall comment which will be completed by the end of next week. Next Friday, all student reports come to me, and I will read all of them prior to their distribution in the first week of next term.

MND Big Freeze

On Tuesday, we conducted our "St. Arnaud Big Freeze" with a slide and ice bath on the front oval. We had several student and staff participants which was great to see. I would suggest going to our Facebook Page to see the whole event unfold. Thanks to the students who organised the event and those who put their hands up to participate – it was cold!

Year 12 GAT

On Thursday, all Year 12 students, and those studying a Year 12 subject undertook the GAT or General Achievement Test. This year is the first year that all Year 12 students are required to complete the GAT. The GAT has been split into two parts – the first, which all students must do is a Literacy and Numeracy test, and the second part is general knowledge which all VCE students are required to complete and assist in determining ATAR scores at the end of the year.

Buildings Update

The buildings are coming along with a great deal of 'behind the scenes' work being completed prior to our first big pour which is hopefully going to happen Tuesday or Wednesday next week. Like with many old buildings, they have uncovered some unexpected surprises, including the sewerage running in a different direction to what was on the audit which has created some extra work for our plumbers – but they have acted quickly to keep any disruption to the school, or the building program to an absolute minimum. Check out the photo's on page 9.

Try a VET Day

On Friday, our Year 9 students travelled to Charlton to undertake 'Try a VET Day.' 'Try and VET Day' gives students the opportunity to see and experience what the Charlton Trade Training Centre has to offer in terms of Vocational Education and Training subjects. This is particularly important for those students who are considering a Vocational Major pathway (the former VCAL).

Principal's Report

NAIDOC Week

NAIDOC Week (National Aborigines and Islanders Day Observance Committee) celebrations are held across Australia in the first week of July each year to celebrate and recognise the history, culture, and achievements of Aboriginal and Torres Strait Islander peoples. As this is during our school holidays, we will be celebrating NAIDOC week at school next week.

End of Term 2

Just a reminder to all families and students that this coming Friday (23rd June) is the last day of term, and all three St. Arnaud Schools have a 2:00pm finish time.

Friday, 23rd June – Last Day Term 2 – 2.00pm finish

Monday, 10th July – First Day Term 3

Monday, 24th July – Y-Lead Leadership Incursion

Tuesday, 1st August – NCD Athletics

What Sort of Start is Your Child Getting?

Just a little bit late doesn't seem much but.....

He/ She is only missing just....	That equals....	Which is....	and over 13 years of schooling that's...
10 minutes per day	50 minutes per week	Nearly 1.5 weeks per year	Nearly <u>Half</u> a year
20 minutes per day	1 hour 40 mins per week	Over 2.5 Weeks per year	Nearly <u>1</u> year
Half an hour per day	Half a day per week	4 Weeks per Year	Nearly <u>1</u> and a <u>Half</u> years
1 hour per day	1 day per week	8 Weeks per year	Over <u>2</u> and a <u>Half</u> years

*Did you know your child's best learning time is the start of the school day?
That's when every minute counts the most!!*

What Chance Has Your Child Got of Being Successful?

1 or 2 days a week doesn't seem much but.....

He/ She is only missing just....	That equals....	Which is....	and over 13 years of schooling that's...	Which means the best your child can perform is ...
1 day per fortnight	20 Days per year	4 weeks per year	Nearly <u>1.5</u> years	 Your child Other children Equal to finishing in grade 11
1 day per week	40 Days per year	8 weeks per year	Over <u>2.5</u> years	 Your child Other children Equal to finishing in grade 10
2 days per week	80 Days per year	16 weeks per year	Over <u>5</u> years	 Your child Other children Equal to finishing in grade 7
3 days per week	120 Days per year	24 weeks per year	Nearly <u>8</u> years	 Your child Other children Equal to finishing at grade 4

Everyday Counts!!

DET Film Maker's Visit

On Wednesday 14th June, the school was lucky enough to be involved in a very exciting film-making project for the DET (Department of Education and Training).

As part of the Teach Rural Program, SASC has been fortunate to have Rebekah Hibberd as a PST (Pre-Service Teacher), taking the Year 7 Humanities class and the Year 9 English class.

Aside from the usual experience of having a young and vibrant teacher in the room, the students also got to be a part of a movie!

The film crew came up from Melbourne to film

Miss. Hibberd in action. However, they did not want a regular class (although it would have been awesome if they did - Miss Hibberd was very well prepared!)

They had a specific story-board and plan to follow. They were making a film, not filming a class. It was very interesting for the students to learn about real film-making from a real director. The crew filmed scenes with teachers using the whiteboard, students answering questions, group activities and class discussions. Movie magic is quite the experience from the inside!

Here's what some of the students said about the experience:

Wayne said: "The parts where they filmed the class were kind of scary as I was very nervous. But I was also excited, as I can be very shy, so when the director said "action", I just did what I would do normally in class."

Bella said: "I learned how much work goes into one little snippet that only goes for like 5 seconds in the actual video. A lot of effort goes into film making. It can take a lot of takes to get the perfect scene for a video which may not go for very long."

Declan said: "I learned that they had to take a lot of pictures then after they had a bazillion pictures, they would have a look through the pictures and choose the best picture. It was a good way of doing it and it was very effective because they captured the moment."

Maeve said: "It was scary when you had to act on the spot with no idea of what to say. They put a lot of us under a little bit pressure so they could film. It was fun to do no actual school work and just act around and be filmed for the movie."

The process in the Year 7 class took about an hour. All that to create a two-minute scene...

The film crew then went to the staff room to film the teachers 'acting naturally' - but it was all still staged. The director told the staff what to eat, where to look and what to say.

I think the staff just wanted to get on with eating!

SRC — Sausage Sizzle

Yummy!

Sausages	\$2		
		TOTAL	

Yr. 12 Food Studies

This week in Year 12 Food Studies one student made Sticky Chicken, these were very spicy, twice cooked and glazed chicken wings. The second student made a side salad to go with the chicken, it was a Broccoli salad with snow peas and beans, with a tahini dressing. In our theory class we were looking at Unit 4 and how we assess the food information we get. Is it reliable or not?

Hands On Learning

On the 26th May, we cooked up Sausages & Onions for the workers who are doing our new school build. Mr. Burke was hard at work while talking to a few of the construction workers.

Later that afternoon, we had Chad & JJ dismantle some of the bench seats!

We also had Max & Forbes jazz up the frames of the chairs by spray painting them.

Thank you to Andrew Borg, manager of Land Care for his generous donation to go towards our Herb Garden here at the St. Arnaud Secondary College. We thank you so very much !!

PSC | Winter Holidays Workshops

PHOTOGRAPHY
STUDIES COLLEGE

Wednesday 28th June or Thurs. 29th June

Photography Studies College, South Melbourne

If you are a Year 11 or Year 12 student who loves being creative and taking photos, then we are running two very special workshops just for you! Come along to one of our free 'hands on' photography workshops to have some fun, create and learn in a really practical way from our team of photography professionals. Don't miss out on this special free event, with lunch provided – register for your workshop of choice now!

Find out more:

www.psc.edu.au/year-11-12-winter-workshops.html

AIE | Industry Experience Days

Wednesday July 5th (Melbourne Campus) 2023

AIE's Industry Experience Day is a great opportunity for students in Years 10, 11 and 12 to learn about the local and international game development, 3D animation and visual effects industries. Students will get the opportunity to learn about the different pathways to get into the industry, what should be in a portfolio and will be able to get creative in practical workshops using industry-standard 3D animation and game development tools.

Event dates:

Melbourne: July 5th

Sydney, Canberra and Adelaide: July 12th

For Further Information visit:

https://aie.edu.au/aie_event/industry-experience-day/

DEFYING THE DRIFT!

A Rotary District 9780 program for young Australians

WHAT?
DID is a program designed to empower young people to:

- Identify and explore agriculture and agribusiness career opportunities
- Build communication skills
- Develop career networks

WHO?
DID is for year 10 and year 11 students

WHY?
Because there are great, high paying professional, entrepreneurial and trade careers in agriculture that young people need to know about!

WHEN?
Monday September 18, 2023 to Wednesday September 20, 2023

WHERE?
Longrenong Ag College, Horsham

HOW MUCH?
\$250 Early bird price - pay by July 31
\$350 per student, sponsorship available.
More Information at www.defyngthedrift.org

DID starts with a 3 Day residential program at Longrenong Ag College. There will be lots of new friends to make, inspiring agriculture role models to meet, places to visit and lots of fun.

The second part is a presentation by each participant at their sponsoring Rotary Club - a great chance to meet community leaders.

THERE ARE WONDERFUL OPPORTUNITIES FOR FANTASTIC, HIGH PAYING AND SECURE CAREERS IN EVERY WALK OF LIFE IN RURAL VICTORIA. WITH IT COMES A LIFESTYLE THAT CITY FOLK CAN ONLY DREAM ABOUT.

Agricultural careers have a bright future. The fact is the world's growing population needs to be fed and clothed and, with the average age of farmers approaching 60 years, young people are worth their weight in gold. Employers are screaming out for them. Jobs are often going begging.

While the traditional patterns of family farm succession are giving way to corporate style farming and land prices seem prohibitive for new entrants, there are great opportunities for careers in agriculture across the broadest range of personal skills, as well as the many professions, trades and vocations needed in every community.

With the huge interest in where our food comes from, the time is ripe for organic and innovative food production start-ups.

Since its inception in 2010 Defying the Drift has helped young people discover pathways through further education and work experience to great careers in agriculture.

Don't wait for the future - make it happen!

Early bird closing date for applications is July 31 2023.
Final closing date is August 31 2023 unless all places are filled prior. The DID Committee reserves the right to limit applicants per school if program is oversubscribed to allow students from a greater number of locations to attend.

G.H. EDWARDS LIBRARY

For every fan of manga, anime, J-pop, or Zen, *A Geek in Japan* is a hip, smart and concise guide to the land that is their source. Comprehensive and well informed, it covers a wide array of topics in short articles accompanied by sidebars and numerous photographs, providing a lively digest of the society and culture of Japan. Designed to appeal to the generations of Westerners who grew up on Pokemon, manga and video games, *A Geek in Japan* reinvents the culture guide for readers in the Internet age.

Spotlighting the originality and creativity of the Japanese, debunking myths about them, and answering nagging questions like why they're so fond of robots, author Hector Garcia has created the perfect book for the growing ranks of Japanophiles in this inspired, insightful and highly informative guide.

NEW NON - FICTION

Health & Wellbeing

Our school offers breakfast on Tuesdays and Thursdays. Students have toast, milk, fruit, and we also do special breakfasts, for example, pancakes. Come along!

At St. Arnaud Secondary College, we can organise Food Bank Hampers for families. If your family require assistance, please contact Rosanne Chapman, Student Wellbeing Student Support Coordinator, at the College on 54951 811.

Inquiries are treated confidentially.

We thank Foodbank Victoria for helping us to support our families.

Health & Wellbeing

PSYCHOLOGY SERVICE AT THE SECONDARY COLLEGE

Introducing U'Nita Harold. U'Nita is our new Psychologist that is visiting the Secondary School once a fortnight. U'Nita is available for appointments.

The mission is to assist clients to build vibrant authentic meaningful lives, based on what they value as important. Our practice model is holistic and considers emotional health and wellbeing in the greater context of movement, nutrition, social connection, sleep, and spirituality.

We are committed to providing a multidisciplinary approach to client care, maintaining (with client consent) excellent communication with GPs and other allied health professionals in order to maximise the mental health and wellbeing outcomes for our clients.

Our highly qualified and experienced team is committed to providing a service which is mindful of and empathic towards the unique needs of rural people, their families, lifestyles, and communities.

Clients' privacy and confidentiality are imperative

For appointments, please contact School Nurse Tania Scarce or Student Wellbeing Coordinator Rosanne Chapman.

Strengthening Parent Support Program

What is the Strengthening Parent Support Program (SPSP)?

It is a program for parents and carers of children who have additional needs, a disability or developmental delay.

This parenting support program provides families with opportunities to participate in peer support groups and establish support networks with other families or carers in the local community.

The SPSP program is run by Uniting in Horsham but also reaches communities in the surrounding regional areas. Please contact the co-ordinator Kate Janetzki for further information.

You can also keep up to date by joining our Facebook page; <https://www.facebook.com/aroops/390018412226828>

Support group activities may include a night out at movies and dinner, an informal lunch and chat or seminars/workshops covering a range of helpful and educational topics.

GET UP AND GET ACTIVE

Top tips for exercising in winter:

Rug up
It may seem obvious but it's cold, put some more layers on! The body loses heat through the head, hands and feet first, so make sure you wear a beanie, gloves and warm socks if venturing outdoors!

Warm up
Warm muscles prevent injuries. Be sure to stretch and get your heart rate up before exercising, especially during the cooler months. Plus, warmup exercises can enhance your athletic performance!

Drink up
You may not be sweating or feel warm, but winter dehydration is real. We don't get the same thirst urges in winter so be sure to take a bottle of water with you whenever and wherever you exercise.

"There is no such thing as bad weather, only unsuitable clothing"

Being active in winter isn't always easy, but it is important for your health! Whether you play a winter sport or just like exercising, there are a few things you need to remember before running out the door into the crisp winter weather.

Exercising during winter can boost your immune system, meaning fewer sick days off school, and can improve your mental health and wellbeing.

So go grab your jumper, water bottle and sneakers, and head outside.
Your body and mind will thank you for it!

Health & Wellbeing

Is your teenager struggling to attend school due to anxiety, depression or emotional distress?

Be among the first to trial a new online parenting program designed to support parents of teens struggling with school attendance.

Researchers from Monash University and Deakin University are offering parents a **FREE** online parenting program designed to support parents of teenagers who have **difficulty attending school due to anxiety, depression, or emotional distress** (sometimes called 'school refusal', 'school can't', or 'school phobia'). The program is being offered as part of a research trial.

What's included in the program?

- A parenting self-assessment tool with personalised feedback
- Up to 13 online modules with practical strategies to support your teen's mental health and school attendance
- Complete weekly modules and work towards goals

Who can take part?

You may be eligible to participate if:

- you are the parent or guardian of a teenager aged 12-18
- live in Australia
- can read, write, and speak in English,
- have regular access to the internet.

The program is not recommended as a sole source of support for young people experiencing school refusal. We recommend seeking professional support from a mental health or education professional alongside completing this program. Although all parents are able to take part, please also note that the program content is not tailored for parents of teenagers with Autism Spectrum Disorder or Intellectual Disability.

What else is involved?

To help us evaluate the program, we'll ask you to complete two online surveys about your parenting and your teen's mental health. We may also invite you to complete an interview about your experience with the program. You'll receive a \$20 gift voucher after completing the second survey, and an additional \$20 gift voucher if you complete an interview.

FIND OUT MORE:

pip-ed.web.app
Contact: med-pip-ed@monash.edu

This research has been approved by the Monash University Human Research Ethics Committee (ID: 32704).

Free Goddess Tickets for Teens!!

Under 16s can now access free tickets to ACMI's Melbourne Winter Masterpieces exhibition Goddess: Power, Glamour, Rebellion. ACMI has also announced a new program of Goddess events including after-dark series Goddess Nights, as well as new music and movie events.

As well as announcing the exhibition will be **free for Under-16s**, ACMI has revealed a new suite of Goddess programming, including **School Holiday Drop-in Workshops between 26th June – 7th July**, that will feature creative and crafty workshops to design characters inspired by kids' favourite film and TV stars.

ACMI has also added two more Goddess Nights **live late-night events on 27th July and 28th September**, in addition to the **already successful 25th May event**.
