Principal's report

VALE Tony Driscoll

It was with much sadness that we learnt of the passing of NG Shire Mayor Tony Driscoll. Tony has been a very active and self-less councillor, clearly having the best interests of our community and our College at heart. Nothing was ever too much bother for Tony and in my six years here. Tony has not missed a Presentation Night or Student Leaders' Ceremony – but he will be missed this year! To Annette, our colleague and friend, and children, Charles, Eliza, James and Josephine, and extended families, we extend our sincerest condolences.

School Uniform

The continuation of the cold weather is requiring staff and students to 'rug up' against the cold. We are very fortunate to have a number of uniform options to combat the cold, including our brand new college beanies. We have also introduced soft shell jackets and rugby jumpers that are all available at Ramjac. We are noticing, however, that we have a number of students who are regularly out of uniform – especially girls andpants. We have made repeated offers to take these students to talk to Mandy at Ramjac to find an alternative for the uniform, or to see if Mandy can source something else, but no students have taken up the offer and continue to be out of uniform. If cost of uniform is an issue, we are able to provide support with this – so please contact the College to discuss. Could I also take this opportunity to remind parents that hoodies are not appropriate for school and should not be worn. We have a good supply of jumpers at the College that are offered to students who do not have, or do not have the correct jumper. Our aim, clearly, is to have all students in uniform and we are trying to work with families on this.

Year 7-10 Work Submission Policy

I have attached a copy of the College Essential Learning Items submission flow chart for all students and parents to have a look at. This process will be adopted from this point forward and covers as many scenarios as possible. We are aiming to get greater consistency across the College, and also avoid the rush that we have been seeing as a semester comes to a close and reports are being compiled. In a nutshell, if work is not submitted on time (or at an agreed negotiated date), or is not of a satisfactory result standard, students will be given 5 days to have the work submitted to gain a satisfactory on the task and therefore the subject. Students and parents will be notified of the new date for completion. Failure to meet the revised deadline will result in a Not-Satisfactory for the Essential Learning Item and therefore the subject.

Reports Feedback

I would like to thank all the parents who have provided feedback on our current report format. The information that has been collated and is certainly wide ranging in its content. Staff will be working through this, as well as being mindful of the current Department reporting requirements, and we will notify parents of any proposed changes prior to Semester 1 in 2023. As has been stated before, the report format will not change for Semester 2 reports this year.

Primary School Need Our Help

Cereal Box Dominos

The St. Arnaud Primary School have asked us to help them make the longest cereal box dominos possible and WE NEED YOUR HELP!!!

On the last day for term, we will be doing cereal box dominos with the primary school. We are asking for anyone to donate boxes of unopened cereal.

There will be a donation tub at the office for anyone who has some unopened cereal to donate to this fun activity.

The cereal will then be donated to charity!

We will also be inviting the Early Learning Centre and McCallum Disability Services to this fun event.

If you have any further questions, please do not hesitate to ask your SRC representatives 😊

Yr. 9 P.E—Badminton

Round 2 Badminton

Publicity Report

This week round 2 was played in the Year 9 SEPEP Badminton tournament. The first match was played between Green Beans and Vegeables. The highest point scorer throughout the singles

games was Frankie Donald with 14 points. The highest scoring double partnership was Ben Greenaway and Kynan Torney with 37 points. Vegeables won the match, winning 10 games to 5.

The games between Green Beans and Vegeables were all played very well with most games having both teams score highly.

The second match was played between Donald and Black Beetles. The highest point scorer throughout the singles games was Jackson Needs with 18 points. The highest scoring double partnership was Jackson Needs and Leila Patton with 40 points. Donald won the match, winning 10.5 games to 4.5.

The matches between Donald and Black Beetles were intense. It seemed every point lost to the opposition was taken personally. Though, I will say, some players managed to stay cool, calm and collected.

Ladder after round 2:

	Team	Points
1.	Vegeables	16
2.	Donald	13
3.	Green Beans	11
4.	Suns	7
5.	Black Beetles	6

Next week, Donald versus Green Beans, Suns versus Black Beetles, with Vegeables acting as the duty team.

Hands On Learning

HANDS ON LEARNING

Our Hands on Learning students have been busy with July 29th being International Tree Planting Day.

We headed off to our local Landcare Manager, Andrew Borg's Farm at Blue Gum Rise where we planted 120 Native trees.

We learnt all about endangered native sugar gliders, how to harvest some native wattle seeds and we even got to feed some of the alpacas.

A barbeque lunch was kindly provided by Andrew.

We all had a very enjoyable day.

Yr. 9 Broader Horizons

Year 9 Broader Horizons

Broader Horizons is a Year 9 Careers Program which provides students with a broader outlook and higher awareness of potential careers available within the local community. This year's program will be conducted in Term 3. Year 9 students will be given the opportunity to participate in one of the three career areas – Agriculture, Health Services, or Local Government. It's a wonderful opportunity for Year 9 students to gain more of an understanding of the

many different types of jobs there are within a specific industry.

The program runs for a total of four weeks - one day per week. During the first three weeks, the students will have an opportunity to connect with a variety of employers and staff in their chosen industry, and the final week involves a tertiary (University & TAFE) visit.

Week three and the final week of business visits. The agricultural students visited Biada, Rivalea and the Sprayer Centre. The health students had the East Wimmera Health Service come to the school to present diabetes education, health promotion and dietetics. Our Local Government students headed to the town hall to meet Alex Baldwin, speak to a Councillor, and check out the library.

Yr. 11 Food

delicious.

This week the Year 11 Food Studies students worked on Part B of their SAC which was to prepare and cook 'Roasted tomato tarts and caramelised onion tarts.' Small, open tarts are a delicious lunch or entrée dish, and both tomatoes and caramelised onions make a great filling. The roma tomato is often preferred in recipes because of its firm texture and elongated shape. Brown onion is used for its slightly sweeter flavour. All students really enjoyed their finished products and were able to show their organisational abilities, knife skills, pastry techniques and design flare.

Yr. 7 & 7/8 Food

Year 7 and 7-8 Food Technology

This week we made a two-course meal, with spaghetti bolognese and chocolate self-saucing pudding on the menu. In our theory class, we have just started looking at our eating patterns and what influences them.

Yr. 7 & 7/8 Food continued

Yr. 7/8 Science

The Year 7/8 Science class has been studying an investigation into the digestive system. Last week for their practical class, the students had to construct a burp model; they had to design and construct a model that demonstrated a functioning process relating to the digestive system. Using various amounts of vinegar, baking soda and balloons, the students were able to create gas which simulated burps and flatulence.

Comic Art Workshop

Comic Art Workshop with Fingal Sin

On Thursday 28th of July, Fingal Sin (otherwise known as Reuben) came to our school to work with interested Art students. Reuben was joined by his assistant and daughter Charlie.

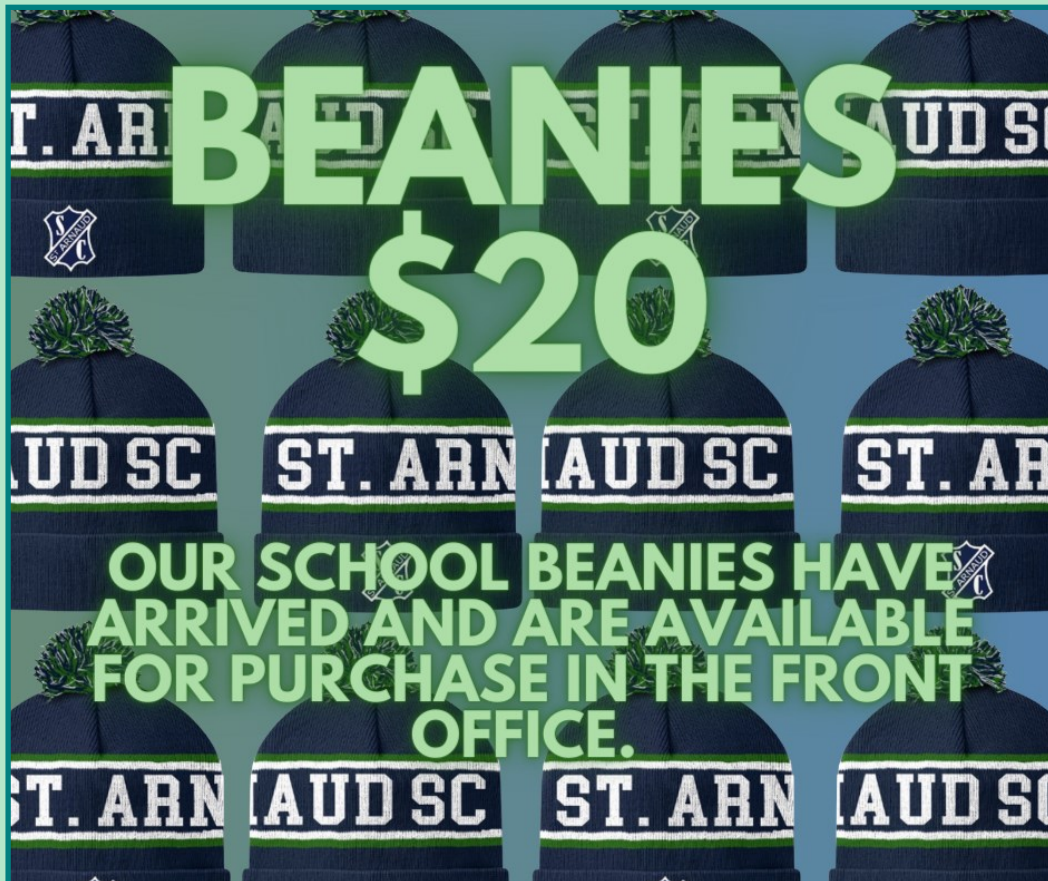

The workshop began with Reuben explaining how he works as an artist and how he makes a living creating sculptures and running workshops. He explained how much his time is spent making submissions for public art projects and how much time he

spends in his studio. He also talked about an exhibition that he has started called 'Lowbrow' with a group of other artists. Only art that is silly was allowed to be included. He made being an artist sound really rewarding and lots of fun. After that, Reuben came and introduced himself to each student and looked at their work, giving feedback and ideas. We then participated in a game that involved sitting around a table and drawing in a set amount of time. Students then had to pass their artwork to the next person. By the end of the game each artwork had the contribution of 20 different artists to it.

Very inspiring!

GenU Mental Health Support

The poster features a dark blue background with four teal speech bubbles. The text inside the bubbles reads: 'ARE YOU FEELING LOW?', 'OUT OF SORTS?', 'ANXIOUS?', and 'OR JUST NOT YOURSELF?'. The GenU logo is in the top right corner. At the bottom, white text states: 'ACCESS genU'S FREE LOW INTENSITY MENTAL HEALTH SUPPORT SERVICE TO HELP GET YOU BACK ON TRACK.'

For Students 13 years above

Are you struggling with or concerned about your mental health?

We can help you access low intensity mental health support services if you have, or are at risk of, mild mental health conditions.

Our accessible services, delivered across Western Victoria, are evidence-based, staged services for people experiencing mild symptoms or low levels of distress for a short period of time.

Our services may assist you even if you have no mental illness risk factors, or if you have responded well to previous treatment. You may feel that you are functioning well but may have problems with motivation or engagement.

What kind of support is provided?

Face-to-face one-to-one intervention or Telehealth

Individual support for those presenting with mild/low levels of psychological distress.

8 SESSIONS ARE AVAILABLE 60 MINS IN DURATION AND AIMS TO SUPPORT AND MANAGE YOUR MENTAL HEALTH.

IF YOU WOULD LIKE TO SET UP AN APPOINTMENT TO THIS COUNSELLING SERVICE, PLEASE MAKE CONTACT WITH SCHOOL NURSE TANIA- (AVAILABLE MONDAY AND WEDNESDAY IN SCHOOL) OR EMAIL ON: tania.scarce@education.vic.gov.au. Alternatively call the school to advise.

DEFYING THE DRIFT!

WHAT?
DID is a program designed to empower young people to:

- Identify and explore agriculture and agribusiness career opportunities
- Build communication skills
- Develop career networks

WHO?
DID is for year 10 and year 11 students

WHY?
Because there are great, high paying professional, entrepreneurial and trade careers in agriculture that young people need to know about!

WHEN?
Tuesday September 20, 2022 to Thursday September 22, 2022

WHERE?
Longerenong Ag College, Horsham

HOW MUCH?
\$250 Early bird price - pay by July 31
\$350 per student sponsorship available.
[More information at www.defyngthedrift.org](http://www.defyngthedrift.org)

DID starts with a 3 Day residential program at Longerenong Ag College. There will be lots of new friends to make, inspiring agriculture role models to meet, places to visit and lots of fun.

The second part is a presentation by each participant at their sponsoring Rotary Club - a great chance to meet community leaders.

DEFYING THE DRIFT!

Rotary District 9780

THERE ARE WONDERFUL OPPORTUNITIES FOR FANTASTIC, HIGH PAYING AND SECURE CAREERS IN EVERY WALK OF LIFE IN RURAL VICTORIA. WITH IT COMES A LIFESTYLE THAT CITY FOLK CAN ONLY DREAM ABOUT.

Agricultural careers have a bright future. The fact is the world's growing population needs to be fed and clothed and, with the average age of farmers approaching 60 years, young people are worth their weight in gold. Employers are screaming out for them. Jobs are often going begging.

While the traditional patterns of family farm succession are giving way to corporate style farming and land prices seem prohibitive for new entrants, there are great opportunities for careers in agriculture across the broadest range of personal skills, as well as the many professions, trades and vocations needed in every community.

With the huge interest in where our food comes from, the time is ripe for organic and innovative food production start-ups.

Since its inception in 2010 Defying the Drift has helped young people discover pathways through further education and work experience to great careers in agriculture.

Don't wait for the future - make it happen!

Early bird closing date for applications is July 31 2022. Final closing date is August 31 2022 unless all places are filled prior. The DID Committee reserves the right to limit applicants per school if the program is oversubscribed, to allow students from a greater number of locations to attend.

Parent Payment Policy Arrangements in 2022

Parent Payment information has been mailed to families – please contact the school if you require and further details.

The Department of Education and Training has sought to clarify the Parent Payments Policy for 2022. Schools can request contributions from parents under three categories.

- Curriculum Contributions – contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum e.g., textbook use, consumable materials, paper
- Other Contributions – Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives e.g., school building enhancements
- Extra-Curricular Items and Activities – Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis. e.g., Optional Year level camps

Parent Payment Arrangements and Options:

- Parents will be provided with early notification of annual payment requests and reasonable notice will be given for any other payment requests during the year (i.e., excursions, camps)
- The College offers Parents the option to make payment by instalments. Please contact Kerrie Swanton, Business Manager, to make these arrangements.
- Methods of payment are BPAY, EFTPOS, cash, or cheque.
- Eligible families that receive Camps, Sport & Excursion Funds can allocate these funds for sports travel, camps, and excursions only.
- The payment for Optional Items including camps and excursions must be paid by the specified due date prior to departure. Other payments for Optional Items including Food Technology must be paid in week 2 of each Term, or by negotiated instalments.
- When making payment via BPAY, please note the receipt number on the returned permission slip or email paid items to st.arnaud.sc@education.vic.gov.au
- New families to the school who do not have Family BPay details, please contact the school for these details.

Camps, Sports and Excursions Fund applications

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps, and sporting activities. Applications for the Camps, Sports, and Excursions Fund (CSEF) close 24/06/2022

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card, or Pensioner Concession Card, or are a temporary foster parent, you may be eligible.

Payment amounts this year are \$225 for eligible secondary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions, and sporting activities for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

DENTAL HEALTH WEEK - 1ST - 7TH AUGUST 2022

Health Promotion
EAST WIMMERA HEALTH SERVICE

Care for your teeth by brushing every day

Show your teeth you care by brushing two times every day - once in the morning and once again at night just before going to bed. Remember to use a toothbrush with soft bristles and a toothpaste that has fluoride in it.

Spoil your teeth by cleaning between them every day

It's important to clean between your teeth too, not just on and around them! Some options you use include floss, interdental brushes and/or water flossers.

Treat your teeth to healthy foods and drinks

The foods and drinks we have every day can impact the health of our teeth. Water and milk are the best drinks for strong healthy teeth.

Take your teeth on a date to the dentist

You may not have been for a little while or it may be time for your regular check-up, take this as your reminder to take your teeth on a date and see your dentist!
