# Principal's Report

## **Wet Weather and Bus Service Interruptions**

The inclement weather has clearly continued and some of our bus runs are still impacted. The Coonooer Bridge run is still not in operation (at the time of writing this report) and buses have not been running to Charlton on Wednesdays or Thursdays. This week, we got our senior TAFE students to Charlton via car and next week bus services will hopefully be back up, using the Wycheproof Road to Wooroonook. We still have a couple of places where the roads or bridges have been damaged and I thank all families for their cooperation and patience.

## **Year 12 Exams Begin**

Following last week's excellent final day celebrations, our Year 12 students began their exams on Wednesday with the traditional first exam of English. Exams will now continue over the next two weeks with our last exam on Wednesday 16 November. We wish all our students the very best for the remainder of their exams.

## **Alan Weir**

Our sincere condolences to the Weir family on the sudden passing of Alan in an accident last week. Alan, through Weir's IGA, have been long time and generous supporters of our College and we were all very saddened by this news. Our thoughts are with Carmel, Andrew and Melissa, Zack, Abby and Sami, and the entire Weir family. College Captains Rogan Hando and Izzy Hand and Vice Captains, Amy Greenaway and Phoebe Hendy attended the funeral with me on Thursday to represent the College.

## **Girls School Shorts and Pants**

We have received several concerns from female students that they do not find the school shorts very comfortable. To this end, Mandy is introducing a new style of shorts which are very lightweight but strong. The current shorts will still be available, but so will the new option. Students have been given the opportunity to try the shorts on and provide feedback – so now there should be no excuses for being out of uniform. If you are experiencing any difficulty in getting uniform, please do not hesitate to contact myself or Rosanne Chapman at the College.

## **Interschool LMR Basketball and Hockey**

Several students travelled to Bendigo today to compete in the LMR Basketball and Hockey. We look forward to hearing how they went.

## **Melbourne Cup Long Weekend**

Just a reminder that this week is an extra-long weekend for Year 7 to 11 students due to Monday's agreed Pupil Free Day across all the St. Arnaud Schools and Tuesday's Melbourne Cup holiday. Year 12 students undertaking Psychology and General Maths will still be required to sit their exams on Monday. Enjoy the break and we will see everyone back on Wednesday.

# Principal's Report

## Student Movement

Thank you to those families who have informed us of students either enrolling or departing our school at the end of the year. Government school funding is based directly on student numbers so it is vital that we have a very clear picture of what our student numbers will be so that we can staff the school appropriately. This has become more of a concern with the difficulty in teacher staffing numbers across the state. If you are aware that your child or children may be leaving, or you know of additional students who may be coming to the school, it is essential to know as soon as possible. This would be greatly appreciated.

**Monday, 31st October** – Pupil Free Day – across all St. Arnaud Schools

**Tuesday, 1st November** – Melbourne Cup Public Holiday

**Friday, 18th November** – Pupil Free Day – Report writing

**Monday, 21st November** – Step Up Begins for all Year 7 to 11 students

**Friday, 25th November** – Curriculum Day – Professional Practice Day

**Friday, 2nd December** – Last day for current Year 10 and 11 students

# COVID Information Update

## COVID-19 Update for schools

Dear colleagues

Please note the following important information in relation to changed COVID-19 settings.

### COVID-19 isolation requirements have changed

The Victorian Government has announced the end of the Pandemic Declaration and associated Pandemic Orders.

The following settings, based on advice from the Department of Health, will apply from 11.59pm Wednesday 12 October 2022.

It is strongly recommended that **students**:

- who test positive to COVID-19 stay home and isolate for 5 days
- should not attend school after 5 days if still symptomatic
- who are symptomatic but have not tested positive should not attend school
- advise the school of the COVID-19 positive test result

Where **students** become symptomatic at school they should:

- be collected by their parents/carers
- undergo testing for COVID-19

It is strongly recommended that **staff**:

- who test positive to COVID-19 stay home and isolate for 5 days
- should not attend after 5 days if still symptomatic
- who are symptomatic but have not tested positive should not attend school
- report their positive test result to the school and through eduPay

### Reporting positive COVID-19 test results

The Department of Health recommends that a person who tests positive for COVID-19 should inform those with whom they have recently been in contact, including their workplace, schools, and household.

Parents and carers will therefore be asked to continue to report positive student COVID-19 cases using the [VicED COVID Tool](#).

Where a parent/carer informs the school by phone or written notification, the school should complete the [Schools COVID Case Management Tool](#).

Staff should report their positive COVID-19 test result via eduPay.

Staff who wish to apply for up to 5 days paid special leave should do so through eduPay.

### COVID-19 vaccination changes

The current mandatory vaccination requirement for staff and visitors, contractors and volunteers working in specialist schools will cease to apply from 11.59pm Wednesday 12 October. COVID-19 vaccination, including booster doses, continues to be strongly recommended for all school staff.

### Face masks

Staff and students who wish to wear a face mask should be supported to do so, and schools should continue to make face masks available for staff, students, and visitors.

The Department of Health recommends that masks should be worn by a person who is a close contact of someone who has tested positive for COVID-19 when leaving home.

Additionally, the Department of Health recommends that masks should be worn by a person who has COVID-19, for at least 7 days after a positive test, when they need to leave home.

Please continue to take the important steps of ensuring air purifiers are in use, external ventilation is maximised, good personal hygiene is encouraged, and face masks continue to be made available for staff and students who wish to wear them.

# VCAL WORK RELATED SKILLS Year 12 Last Day PIZZA EXTRAVAGANZA

On Friday October 21<sup>st</sup>, the VCAL WRS class worked together to complete their work-related group project: cooking wood fired pizzas for the Year 12s on their last day.

Most of the students worked hard and pulled together for a smooth cooking experience that involved nobody getting burned, despite the rumours you may have heard.

In the kitchen, under the watchful eye of Mel Watts, Maya, Trey, Charli, Dylan, and Jonty worked together to make four different kinds of Pizza: Aussie, Meat lovers, Hawaiian and Margarita.

Trey and Jonty did a great job of making pizza dough from the recipe and Maya helped Mel, Charli and Dylan prepare all the ingredients.

"Making the pizza dough was lit, crazy, like a movie montage," Trey proclaimed.

Meanwhile, out at the oven, Stuart did a lot of talking while Mr. Lobley tried hard to get the fire hot enough for cooking, while carefully avoiding getting burnt.

Once the pizzas were ready, Dylan and Charli stepped up to bring them out on trays of two for the oven. With a very hot fire, a slick production line cooking 30 pizzas in a near endless operation, the Year 12s got to eat their woodfired feast right on time.

### Year 7 and 7-8 Food Technology

The students made Vegetable Soup. The class worked in pairs to make their vegetable soup; it gave them practice dicing

vegetables to all the same size so they all cooked evenly. In the theory class, we continued with the topic of fruit and vegetables, with an investigation of a fruit and vegetable being undertaken by each student. The Essential Learning Item – Redesigning the Hamburger, will be cooked next week. Students have created the steps to make the hamburger and they will use these instructions only when making their hamburger and then evaluate their design.

### Waste Water Treatment Plant

It was a nice and warm Tuesday afternoon, when Mr. Redmond, Miss. Goode and Mr. Knight escorted the Year 7 science class to the St. Arnaud wastewater treatment plant to see how the town deals with all the urine and poop that is flushed down the toilet. Upon arrival, they were greeted

by Mr. Ezard, who took time out of his day to guide the class around the human waste plant.

First, Mr. Ezard opened the intake pipe. The smell was very pungent and the Year 7s could see the different types of human fudge nuggets flowing down from the town, from the big nutty ones to the sloppy bum gravy.

The students were shown the gross pollutant trap which catches all the big gross things that people flush down the toilet. The pupils were told that he had seen a \$50 dollar note once, but he did not put his hand in to take it out. Most of the Year 7 class said that they would!

The class was then escorted up a set of stairs to look down at the primary tanks, where the stool was eaten by bugs. The contents of the tank looked like a cross between an aero bar and chocolate mousse, but strangely there was no smell! Finally, they were shown the laboratory where the water was tested, and assured that the water afterwards was clean, but kept separate from the town's drinking water.

# Hands On Learning

21.10.2022

*What a BUSY DAY we've all had.*

We spent the morning cleaning and setting up the tables and chairs at the racecourse, in preparation for the Big Racing Carnival at The St. Arnaud Racecourse.

Hands on Learning are great at recycling and Repurposing. We had old, discarded bench legs lying around, so with a little bit of T.L.C. (tender loving care), a new workbench was made for our students to use in our new space in the big shed.

Our Hands on Learning time was certainly busy and filled with lots of jobs. We were called on to dig out all the holes for the Year 12's to plant their presentation trees and then to water them in. The trees look good and should look even better once they are established and flowering.

Lastly, the Hands on Learning students got to finally design, set out and draw their mosaic patterns onto their base tiles.

Some students have picked out their colours and have started the task of putting the broken tile pieces into position. We can't wait till we start our next process of gluing and grouting.

# PLEASE HELP US, WE NEED A BAND NAME !!

A reminder that the newly formed Secondary College Rock Band are looking for suggestions for a name. Ideas should be passed to Mrs Walsh or any of the band members. Thank you!

## SAMBO Nationals 2022 — Sydney

On the weekend of the 22<sup>nd</sup> and 23<sup>rd</sup> October, we had some students compete at the SAMBO Nationals in Sydney. These competitors were very successful and should be very proud of their efforts.

Below is just how successful the weekend was for these students:

~SAMBO Nationals 2022~

- 🥈 Addison Wright- Silver in the 13 and under 65kg girls
- 🥉 Jack Batters- Bronze in the 13 and under 45kg boys
- 🥈 Ollie Hand- Silver in the 13 and under 45kgs boys
- 🥉 Lachlan Gifford- Bronze in the Under 18s
- 🥈 Jack Fensham- Silver in a tough fought final of the Men's 70kg category

A special thank you to the College's past students, Kyle and Tessa Torney, for giving these students this amazing opportunity to further their development and, look at the outcome! What an awesome experience these participants have had and will no doubt never forget!

If your child or any other student you may know that has participated in any special activities in the wider community that you think should be recognised or acknowledged in our newsletter, we would like to know about it !!

## Parent Payment Policy Arrangements in 2022

**Parent Payment information has been mailed to families – please contact the school if you require any further details.**

The Department of Education and Training has sought to clarify the Parent Payments Policy for 2022. Schools can request contributions from parents under three categories.

- Other Contributions – Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives e.g., school building enhancements
- Extra-Curricular Items and Activities – Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis. e.g., Optional Year level camps

## It Starts with Us

By Colleen Hoover

Lily and Ryle have just settled into a civil-parenting rhythm with their daughter Emerson, when Lily suddenly runs into Atlas nearly two years after they last spoke. Elated that the timing finally seems to be right to give what they have together a real chance, Atlas asks Lily on a date.

But Lily's excitement is almost immediately replaced by dread and anxiety when she remembers that Ryle, though no longer her husband, is still very much part of her life. And though Ryle would dislike Lily dating anyone but him, Atlas Corrigan is the one man he absolutely will not stand having in his ex-wife and daughter's life.

Told from the perspective of Lily and Atlas, *It Starts with Us* gives readers a deeper look into Atlas's past as he and Lily reconnect and rekindle the love they shared as teenagers while navigating a volatile ex-husband who believes Atlas to be one of the reasons his marriage with Lily ended.

## The Lost Soul Atlas

By Zana Fraillon

A boy awakens in the Afterlife, with a pocketful of vague memories, a key, a raven, and a mysterious Atlas to guide him as he sets out to piece together the mystery of his final moments...

Back on Earth, Twiggy is a street kid with a missing dad. But when he meets Flea, a cheerful pickpocket, the pair become fast friends, better even than blood family itself. Together, Twig and Flea raise themselves on the crime-ridden streets, taking what they need and giving the rest to the even-poorer. Life is good, as long as they have each other. But the all-powerful Boss who rules the streets has other plans.

Loyalty will be tested, and a cruel twist of fate will lead to an act of ultimate betrayal that will tear the friends apart ...forever?

## MENTAL HEALTH MONTH

LOOKING AFTER OURSELVES, OUR FAMILIES, OUR COMMUNITIES

October is Mental Health Month. As we continue to get back to 'normal life' after a couple of crazy years, it's important we all continue taking steps to look after the mental health and wellbeing of both ourselves and those around us. Below are some tips and activity ideas from the Resilience Project.

### Gratitude

Draw or tell someone about something that made you feel good today. It could be something as simple as patting a nice dog or as big as winning a running race! Try to do this at the end of every day.

### Empathy

Pay attention to the feelings of people around you today. If you notice a friend looking upset, ask them if they'd like to talk about it. If a family member seems a bit stressed, offer to help out. Try to show empathy to at least one person every day.

### Mindfulness

Go to a quiet space for five minutes every day, take a few deep breaths and notice what is going on around you. What are five things you can see? Five things you can hear? Five things you can feel? You might like to include smell and taste too!
