Term 4
Week 34
4th November 2022

Hands on Learning had an excursion to Horsham Bunnings on Friday, 28th October, where we participated in Mock Interviews. It started off with meeting Gavin the manager and being given a bag of Bunnings' goodies. Thanks to Sarah the activity coordinator for organising those.

We toured every area of the store and saw how paint was mixed in the shaker machine, had a demo of the forklifts and scissor lifts, and everyone asked Gavin questions about the timber yard and supplies.

Thank you to Gavin and Sarah from the Horsham Bunnings Store. A great time was had by all.

Principal's Report

A Shorter Report For a Shorter Week

This week has been a very short one due to a Pupil Free Day and the Melbourne Cup, so my report may be a bit shorter than normal. VCE Exams have continued this week, with all Maths, Psychology, Health and Human Development and History for our students.

Hockey Team to States

Last Friday, our combined Hockey Team with Charlton made their way in convincing fashion to the State competition in Melbourne next Tuesday, with a score of 9-0. This is a wonderful achievement, and we wish them all the very best in Melbourne next week

Grade 6 to Year 7 Transition

On Wednesday afternoon, we welcomed Grade 6 students from St. Arnaud Primary School and St. Patrick's Primary School for their first afternoon of transition. This was the first day of our 5-day program which culminates in three full days in December. Having a five day program allows our students to be very comfortable with both the staff and the school surroundings prior to coming full time in 2023.

Art Exhibition

This Friday a local Art Exhibition will be opening in the Town Hall featuring Art works from many of our students and even some staff. I would encourage anyone who is able to go along and have a look at our student's work on display.

Coonooer Bridge Bus Service

Unfortunately, road closures have seen the Coonooer Bridge Bus route unable to be re-opened and this will not change for the foreseeable future. While this is very unfortunate, it is possibly also a reminder of how lucky we are to have access to free bus travel for schools in country areas. This should be seen as one of the advantages of living in the country – as our metro cousins must pay to access public transport for school if needed. We hope that things will move along and with the hopeful onset of warmer (and drier) weather, the roads will be open again soon.

Student Movement

Thank you to those families who have informed us of students either enrolling or departing our school at the end of the year. Government school funding is based directly on student numbers so it is vital that we have a very clear picture of what our student numbers will be so that we can staff the school appropriately. This has become more of a concern with the difficulty in teacher staffing numbers across the state. If you are aware that your child or children may be leaving, or you know of additional students who may be coming to the school, it is essential to know as soon as possible. This would be greatly appreciated.

COVID-19 Update for schools

Dear colleagues

Please note the following important information in relation to changed COVID-19 settings.

COVID-19 isolation requirements have changed

The Victorian Government has announced the end of the Pandemic Declaration and associated Pandemic Orders.

The following settings, based on advice from the Department of Health, will apply from 11.59pm Wednesday 12 October 2022.

It is strongly recommended that **students**:

- who test positive to COVID-19 stay home and isolate for 5 days
- should not attend school after 5 days if still symptomatic
- who are symptomatic but have not tested positive should not attend school
- advise the school of the COVID-19 positive test result

Where **students** become symptomatic at school they should:

- be collected by their parents/carers
- undergo testing for COVID-19

It is strongly recommended that **staff**:

- who test positive to COVID-19 stay home and isolate for 5 days
- should not attend after 5 days if still symptomatic
- who are symptomatic but have not tested positive should not attend school
- report their positive test result to the school and through eduPay

Reporting positive COVID-19 test results

The Department of Health recommends that a person who tests positive for COVID-19 should inform those with whom they have recently been in contact, including their workplace, schools, and household.

Parents and carers will therefore be asked to continue to report positive student COVID-19 cases using the [VicED COVID Tool](#).

Where a parent/carer informs the school by phone or written notification, the school should complete the [Schools COVID Case Management Tool](#).

Staff should report their positive COVID-19 test result via eduPay.

Staff who wish to apply for up to 5 days paid special leave should do so through eduPay.

COVID-19 vaccination changes

The current mandatory vaccination requirement for staff and visitors, contractors and volunteers working in specialist schools will cease to apply from 11.59pm Wednesday 12 October. COVID-19 vaccination, including booster doses, continues to be strongly recommended for all school staff.

Face masks

Staff and students who wish to wear a face mask should be supported to do so, and schools should continue to make face masks available for staff, students, and visitors.

The Department of Health recommends that masks should be worn by a person who is a close contact of someone who has tested positive for COVID-19 when leaving home.

Additionally, the Department of Health recommends that masks should be worn by a person who has COVID-19, for at least 7 days after a positive test, when they need to leave home.

Please continue to take the important steps of ensuring air purifiers are in use, external ventilation is maximised, good personal hygiene is encouraged, and face masks continue to be made available for staff and students who wish to wear them.

Loddon Mallee Region Basketball

On Friday the 18th of October, Frankie Donald, George Gorrie, Jackson Needs, Tyson Funston, Blayne Piper, Kynan Torney, and Ryan Bigmore travelled to Bendigo's Red Energy Arena to participate in the Loddon Mallee Region Basketball Carnival. Due to the recent floods, some teams had to withdraw but St. Arnaud Secondary College was able to play off against Marist College from Bendigo.

In the end, Marist College proved too strong for STASC, going down 72 – 25, but it was still a great experience for the students to play in such a large and reputable stadium with a lot of other teams from across the region in attendance.

Many thanks to the St. Arnaud Basketball Committee for the loan of the basketball uniforms and hopefully next year we can return to compete!

LMR — Hockey (Bendigo)

Loddon Mallee Region - Hockey

On Friday 28th October, 8 students travelled to Bendigo to participate in the Loddon Mallee Region hockey. We only had one match to play due to other teams pulling out because of floods and road closures. We joined forces with some students from Charlton College. Our opponent was Catherine McAuley College from Bendigo.

After a one off, training and uniform fit out in Charlton, our combined team won, 9 to 0.

We now head to Melbourne on Tuesday 8th November to play at State Level in Melbourne.

St. Arnaud Secondary College students: Addison, Austin, Christopher, Hamish Tannock, Hamish Darby, Abby, Jack Batters, Ben and Tahli.

Charlton College students: Elise, Poppy, Isaac, Beau, L, Annie, and Isabelle.

Yr. 7 & 7/8 Food

Year 7 and 7-8 Food Technology

The students made Frittata and Fruit Salad. The class worked in pairs to make their frittatas and while they were cooking they put together their fresh fruit salad. In the theory class, we continued with the topic of fruit and vegetables, with an investigation of a fruit and vegetable being undertaken by each student, which is due next week. The Essential Learning Item – Redesigning the Hamburger, was cooked this week. Students created the steps to make the hamburger and they used these instructions only when making their hamburger and will then evaluate their design.

Yr. 9 — Lawn Bowls

Lawn Bowls

Over the last few weeks, the Year 9 students have been learning about Lawn Bowls. We would like to thank Maurie Wood and his helpers who have assisted the students in learning the fundamental skills of Lawn Bowls.

Pictured are some of the students 'mastering' Lawn Bowls.

Also, the students presented Maurie and his helpers with a thank you gift.

Doctor Sleep

By Stephen King

Stephen King returns to the characters and territory of one of his most popular novels ever, *The Shining*, in this instantly riveting novel about the now middle-aged Dan Torrance (the boy protagonist of *The Shining*) and the very special 12-year-old girl he must save from a tribe of murderous paranormal.

On highways across America, a tribe of people called The True Knot travel in search of sustenance. They look harmless - mostly old, lots of polyester, and married to their RVs. But as Dan Torrance knows, and spunky 12-year-old Abra Stone learns, The True Knot are quasi-immortal, living off the "steam" that children with the "shining" produce when they are slowly tortured to death.

Haunted by the inhabitants of the Overlook Hotel where he spent one horrific childhood year, Dan has been drifting for decades, desperate to shed his father's legacy of despair, alcoholism, and violence. Finally, he settles in a New Hampshire town, an AA community that sustains him, and a job at a nursing home where his remnant "shining" power provides the crucial final comfort to the dying. Aided by a prescient cat, he becomes "Doctor Sleep."

Then Dan meets the evanescent Abra Stone, and it is her spectacular gift, the brightest shining ever seen, that reignites Dan's own demons and summons him to a battle for Abra's soul and survival. This is an epic war between good and evil, a gory, glorious story that will thrill the millions of hyper-devoted fans of *The Shining* and wildly satisfy anyone new to the territory of this icon in the King canon.

IT

By Stephen King

It is the children who see – and feel – what makes the small town of Derry so horribly different. In the storm drains, in the sewers, IT lurks, taking on the shape of every nightmare, each one's deepest dread. Sometimes IT reaches up, seizing, tearing, killing...

Time passes and the children grow up, move away and forget. Until they are called back, once more to confront IT as it stirs and coils in the sullen depths of their memories, reaching up again to make their past nightmares a terrible present reality.

GROW YOUR OWN

TOP TIPS FOR STARTING A VEGGIE GARDEN

Growing your own vegetables is easier than you may think, fun and provides a great sense of accomplishment. Here are some top tips for starting out!

SUNSHINE

Pick a location where your veggies will receive around 6 hours of sunshine – although some leafy greens and herbs you can get away with around 4 hours!

USE SEEDLINGS

Growing your veggies from seedlings is generally cheaper, you have a wide variety to select from and they are healthy and strong straight from the start.

START OUT SMALL

While growing veggies is extremely fun and low maintenance, there is still some work that goes into it. Stick to a smaller veggie garden for the first year and build from there.

For the best chance of flourishing vegetables, plant with the seasons.
Veggies to plant in Spring and Summer include – basil, tomatoes, zucchini, capsicum, chillies, eggplant, beans, cucumber, melons, carrots, pumpkin, lettuce, corn.
