Year 12 Valedictory Dinner

With VCE exams finishing on Wednesday 16th of November, on the next evening the College held a final farewell dinner for our graduating class of 2022.

Our graduates, their parents, guardians, relatives and staff met for dinner at the St. Arnaud Golf Club from 6:30 pm. A group of the students had helped earlier in the day with setting up the venue, decorating the tables and blowing up

balloons to create a balloon arch. The evening began with Mr. Hand presenting a congratulation speech to the students. His analogy of an oyster and the formation of pearls was a pertinent reminder that learning and growth doesn't end with the conclusion of secondary school. After dinner was served, thanks to Dana Decker, the Year 12 coordinator presented individual awards to each student; a memento of their final year at the college. Desert came next, followed by photographs in front of the balloon arch.

The final conclusion was a video created by Mrs. Knight, which featured footage and photographs from throughout their time at the College, stretching right back to when they started in Year 7 in 2017. We thank the graduates, parents, guardians, relatives and staff for making this a memorable evening.

We wish our graduates all the best as they move into the next phase of their lives. We will see them all again for the Presentation Evening on Tuesday, 13th December, when they will receive their VCE, VCAL and VET certificates.

Principal's Report

Maryborough Energy Breakthrough

Well didn't last weekend give us a whole new range of experiences! On Friday, 19 students and several staff headed off to Maryborough to compete in the Energy Breakthrough. This was the first time the event had been run since 2019, so everyone was keen to get back up and racing. With predicted poor weather, we tried to prepare as best we could, trying to provide as many large tents as possible so that swags would hopefully stay dry. Scrutineering went well and the two teams 'Send it Forever' and 'The Grass isn't Greener,' took to the track at 1:30pm on Saturday afternoon for the now 23 ½ hr race. Things were going well for both teams before we got the announcement at 6:00pm that we had to evacuate the track and campsite. We spent the next couple of hours at a local gym before being able to go back to camp to find almost everything flooded – but this did not stop us! Back onto the track, both teams went and even a fire in a shipping container early Sunday morning did not slow things down! All in all, it was a fantastic effort by the students, and they should be congratulated.

Thanks, must also be extended to Miss. Bertalli who has taken on the role pretty much single handily especially throughout the practices, etc. Thanks also to Tania Scarce (Chief cook and washer), Will Maylor and Mrs. Powell who attended the event for the whole weekend. Thanks to Bruce Hando who helped in the pit for the graveyard shift with me until 3am Sunday morning. Thank you to the VCAL students who made spaghetti bolognaise and thanks also to the parents who helped with the supply of food or helped pack up at the end of the race. It is a massive weekend – but with great reward.

Step Up for 2023

We have started Step Up for 2023 and in most cases, students have approached the opportunity with a positive attitude. This is an opportunity to get ahead of some of the work for the following year and be able to come back to school in 2023 ready and raring to go. Some subjects will complete assessment items over the course of three weeks which will form part of Semester 1, 2023's reports. It is unfortunate that a couple of students do not appear to be making the most of the opportunity and have slipped into 'holiday' mode early. Hopefully we will see a significant improvement over the next two weeks.

School For Student Leadership 2023

We have received several applications from Year 8 students to attend next year's Year 9 School for Student Leadership, which is great. Applications will still be accepted early next week, and we would love to see a full team going to Don Valley in Term 2 next year.

Information about the School for Student Leadership is easy to find – just Google 'The Alpine School' or the use the link <http://www.alpineschool.vic.edu.au/> to gather further information. As a passionate advocate for the Alpine School, I am always happy to discuss any questions or concerns.

Last week 2022 Year 10 and 11

This is the last week for 2022 Year 10 and 11 students. Their last day will be Friday 2nd December. I wish all of them the best for the break and look forward to seeing them all on Presentation Evening, Tuesday, 13th December at 7pm and next year back at school.

Principal's Report

Activities week

2022 Year 7, 8 and 9 students and any other senior students who wish to attend will be involved in Activities week from Monday 12th December to Thursday December 15th. Information will be distributed to students, and we will need to know accurate numbers as many activities require the organisation of transport etc.

2023 Debutante Ball

We have had confirmation from the Debutante Ball Committee that next years Ball has been cancelled due to lack of numbers, therefore, the Debutante Ball will go ahead in 2024!

Friday, 2nd December – Last day for current Year 10 and 11 students

Monday, 12th December – Activities Week begins for current Year 7-9 students

Tuesday, 13th December – Presentation Evening

Friday, 16th December – Interviews by request

Monday, 19th December – Pupil Free Day – Berry Street Training with the Primary School

Demi Leach — France

On Thursday, 24th November, Demi Leach will be starting her journey to France to commence her Student Exchange Program. She will be there for the next 2 months. We all hope she enjoys this experience and we look forward to hearing all about it upon her return.

We wish you the very best Demi!
Au Revoir !

Australian Defence Force

Back in July, the College won the Royal Australian Navy - Emerging Technicians Award which was a unique Navy career experience and Makebot STEM resource kit. In July, three students Charli, Josie and Rogan spent two days at HMAS Cerberus in Hastings and then this week, Michael Budden from the ADF visited the College to present the robotics kit to the school.

Yr. 7 & 7/8 Food

Year 7 and 7-8 Food Technology

In our final week of cooking we made double choc chip biscuits and gingerbread biscuits. Students worked in fours to make the two types of biscuits and there were plenty to go around. Unfortunately, due to the cold weather, the cooking room hadn't warmed up and the butter didn't really warm up in the metal bowls. The students had trouble forming the right consistency with the dough. They all persevered in making their biscuits, but missed out on decorating their gingerbread biscuits at the end of the lesson. A good semester has been had by all. I hope they have developed some skills and are helping out around the kitchen at home. They have all had practice washing and drying dishes every week, so there is no excuse!

PLEASE HELP US, WE NEED A BAND NAME !!

A reminder that the newly formed Secondary College Rock Band are looking for suggestions for a name. Ideas should be passed to Mrs Walsh or any of the band members. Thank you!

Parent Payment Policy Arrangements in 2022

Parent Payment information has been mailed to families – please contact the school if you require any further details.

The Department of Education and Training has sought to clarify the Parent Payments Policy for 2022. Schools can request contributions from parents under three categories.

- Curriculum Contributions – contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum e.g., textbook use, consumable materials, paper
- Other Contributions – Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives e.g., school building enhancements
- Extra-Curricular Items and Activities – Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis. e.g., Optional Year level camps

Parent Payment Arrangements and Options:

- Parents will be provided with early notification of annual payment requests and reasonable notice will be given for any other payment requests during the year (i.e., excursions, camps)
- The College offers Parents the option to make payment by instalments. Please contact Kerrie Swanton, Business Manager, to make these arrangements.
- Methods of payment are BPAY, EFTPOS, cash, or cheque.
- Eligible families that receive Camps, Sport & Excursion Funds can allocate these funds for sports travel, camps, and excursions only.
- The payment for Optional Items including camps and excursions must be paid by the specified due date prior to departure. Other payments for Optional Items including Food Technology must be paid in week 2 of each Term, or by negotiated instalments.
- When making payment via BPAY, please note the receipt number on the returned permission slip or email paid items to st.arnaud.sc@education.vic.gov.au
- New families to the school who do not have Family BPay details, please contact the school for these details.

Camps, Sports and Excursions Fund applications

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps, and sporting activities. Applications for the Camps, Sports, and Excursions Fund (CSEF) close 24/06/2022

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card, or Pensioner Concession Card, or are a temporary foster parent, you may be eligible.

Payment amounts this year are \$225 for eligible secondary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions, and sporting activities for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 5495 1811 and ask for an application form.

The Novice

(Book 1 - Summoner series)

By Taran Matharu

When blacksmith apprentice Fletcher discovers that he has the ability to summon demons from another world, he travels to Adept Military Academy. There the gifted are trained in the art of summoning. Fletcher is put through gruelling training as a battlemage to fight in the Hominum Empire's war against orcs. He must tread carefully while training alongside children of powerful nobles. The power hungry, those seeking alliances, and the fear of betrayal surround him. Fletcher finds himself caught in the middle of powerful forces, with only his demon Ignatius for help.

As the pieces on the board manoeuvre for supremacy, Fletcher must decide where his loyalties lie. The fate of an empire is in his hands. The Novice is the first in a trilogy about Fletcher, his demon Ignatius, and the war against the Orcs.

The Inquisition

(Book 2 - Summoner series)

By Taran Matharu

A year has passed since the Tournament.

Fletcher and Ignatius have been locked away in Pelt's dungeons, but now they must face a trial at the hands of the Inquisition, a powerful institution controlled by those who would delight in Fletcher's downfall.

The trial is haunted by ghosts from the past with shocking revelations about Fletcher's origins, but he has little time to dwell on them; the graduating students of Vocans are to be sent deep into the orc jungles to complete a dangerous mission for the king and his council. If they fail, the orcish armies will rise to power beyond anything the Empire has ever seen.

With loyal friends Othello and Sylvia by his side, Fletcher must battle his way to the heart of Orcdom and save Hominum from destruction...or die trying.
