Principal's Report

2023 Year 7 – 9 Activities Week

I have spoken with all the students regarding activities week which starts next Monday, 11th December. All Year 7 to 9 students are, like all Year Prep to 6 students, required to be at school until Wednesday 20th December. However, this year we are not expecting students at school after Friday, 15th December, as Monday and Wednesday are 'Interviews by Request' days and Tuesday is a whole staff Professional Development Day with the Primary School Staff.

All students are expected at school for the entirety of next week, and their attendance will be recorded for the Semester 1, 2024 rolls. We have also scheduled our annual trip to the Adventure Water Park in Geelong for Friday, and this has been the most popular event in activities week over the last two years. At this stage, we only have 30 names down out of a possible 70 students. Students who don't attend the adventure park will be helping us prepare for 2024.

If attendance is poor during activities week, we will re-look at our end of year program and will consider extending the Step-Up Program for all students in Years 7 to 10 in 2024.

Thursday 14th December – Presentation Night and Practice

As part of Activities Week, we have a rehearsal for Presentation Night on Thursday. All students are expected at this rehearsal, as well as at Presentation Night itself. Students will come to school in the morning and have some activities during Period 1 and 2, and then we will go to the Hall at 11 am for the rehearsal. At the conclusion of the rehearsal (usually around 12:20pm), students can go to the pool with staff, or if they have a note, can be dismissed from the rehearsal. Students not participating in the afternoon activity will not have access to the bus on that night.

2024 Year 7 Transition

This week we have welcomed our 30 Year 7 students for 2024. There were plenty of nervous yet excited faces at the College on Tuesday morning, but checking in with them again on Wednesday, they all reported that they had enjoyed the day prior and were happy to be coming back.

Building Update

As I sit here in my office typing this Principal's report, I can hear the gentle thud and bash of the hall being taken down by a 30-tonne excavator! There will not be much left by the end of today (Wednesday). This will create a lovely open area for some more grass and pathways which will be great. It also opens up a great view of the new building.

Principal's Report

School Council Meeting

On Wednesday night, we held our final School Council meeting of the year with a thank you dinner at The Royal Hotel. Thanks to all parents, students and staff members who have helped make this a successful year for Council.

Year 8 Gnurad Gundidj Positions

We have had a couple of students apply for the SSL positions in 2024 and I have emailed parents asking them to encourage their children to have a go at the this 'once in a lifetime Opportunity.' It would clearly appear that, generally speaking, our boys do not have the courage to go out and try something new which is a shame.

Monday, 11th December – 2023 Yr. 7 to 9 Activities Week Begins

Thursday, 14th December – Presentation Night @ the Town Hall

Friday, 15th December – Geelong Adventure Park

- Yr. 7, 8 & 9 students last day of Term 4

Monday, 18th December – Interviews by Request

Wednesday, 20th December – Interviews by Request

SUPPORT YOUR CHILD'S EDUCATION WITH 12 MONTHS FREE INTERNET AT HOME

The Australian Government has established the School Student Broadband Initiative to provide free home internet for up to 30,000 eligible families with school-aged students:

- The period in which a family can apply to receive a free service is up to 31 December 2024
- The duration of free services will continue until 31 December 2025 for all existing and new families

The initiative aims to boost education opportunities. NBN Co is leading the rollout of this initiative across the country.

How the School Student Broadband Initiative can help your child

Children who can access online learning at home as part of their education are more likely to engage in classroom activities.

Access to fast internet at home can also support children to build their digital skills, learn how to safely use the internet and take part in a world that is more reliant on digital technology.

Eligibility

To be eligible, families must:

- have a child living at home enrolled in an Australian school
- not have an active National Broadband Network (nbn) internet service at their home (having a mobile internet service does not affect eligibility)
- live in a premises that can access the National Broadband Network through a standard connection. NBN Co will check this for you after you apply
- Not have had an active nbn connection during the previous 14 days*
- register interest with your school and complete a consent form to be assessed for eligibility.

* There may be cases where exceptions can be made, once you have had your address checked, please contact the School Student Broadband Initiative team at SSBI@education.vic.gov.au to discuss further.

How the School Student Broadband Initiative works

If you are eligible, your home internet service will be provided at no cost through until the end of 2025, with a participating internet provider on the National Broadband Network. Each internet provider has its own process to get you connected, which may involve you providing identification.

Once you sign up, the internet provider will help you set up your connection. The initiative does not include devices such as a computer or tablet. Other members of your household can use the internet service provided through this initiative.

The period of free internet will start from the day your service is activated with your chosen provider. At the end of the free broadband period, you will not be placed onto a paid service by your internet provider without your consent. The Australian Government is considering options beyond the free period.

How to apply

- Ask your school for a copy of the School Student Broadband Initiative consent form.
- Complete the consent form and return to the school.
- NBN Co will use student address details on the consent form to confirm eligibility.
- If you are eligible, NBN Co will issue a voucher for your family to use to sign up with a participating internet provider. This will be provided to you by your school. Please note: NBN Co will review the home address for eligibility. No personal information other than your main home address will be shared with NBN Co. Please see the consent form for details about how personal information will be used.

For any outdoor activities, students MUST have a broad brimmed hat, or they will NOT be able to participate! A water bottle is essential.

Each afternoon, weather permitting, the St. Arnaud Swimming Pool may be an option, students wishing to visit the Pool, must bring a rashie, bathers, towel and a broad brimmed hat.

When participating in activities in the local community, students are reminded that they are representing the College. Failure to display the College values of respect, responsibility and resilience will result in removal from an activity.

2024 Yr. 11 Food Studies

Last Friday, the Year 11 Food Studies students completed a scientific experiment, cooking carrots using different heat transfer methods. The students microwaved, steamed, boiled, roasted and air fried the carrots, and then had to complete a sensory evaluation by comparing the appearance, flavour and texture.

Most of the group decided that the healthier cooking method was steaming, but the method that received the overall optimal sensory properties was air frying, with roasting coming a close second. After discussion why this was, they concluded that using those two methods caramelised the sugars in the carrots giving them a sweeter flavour.

Thanks to Elisha, Miss Bertalli and Mr. Knight who helped with the taste testing.

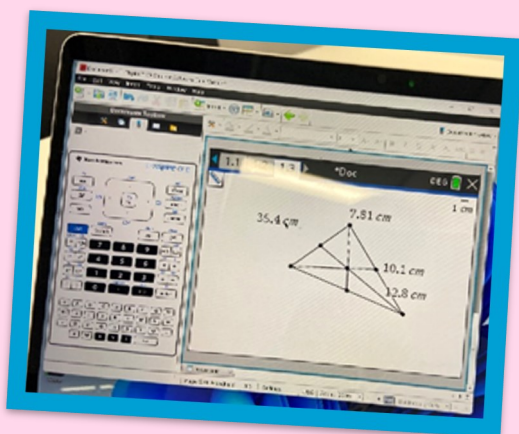

Math's Association Conference

Mr. Redmond and Mrs. Jackson attended one out of two days of the Mathematical Association of Victoria Annual Conference on Thursday, 30th November.

Topics covered included Acceleration verses Electives, Numeracy verses Mathematics, Hook Activities, Rich Maths Tasks, Using the TINSPIRE CAS to create geometrical figures and programming.

There was a great deal of valuable information and activities to be gained from the conference and it was truly worthwhile. All ideas and activities have the potential to be implemented at our school. COVID interrupted the last few years of the Conference, so it was exciting to be able to participate again this year.

The Five Greatest Warriors, By Matthew Reilly

THE END OF THE WORLD HAS ARRIVED

Jack West Jr and his loyal team have been separated, their mission is in ruins, and Jack was last seen plummeting down a fathomless abyss.

OCEANS WILL RISE, CITIES WILL FALL

After surviving his deadly fall, Jack must now race against his enemies to locate and set in place the remaining pieces of 'the Machine' before the coming Armageddon.

WHO ARE THE FIVE WARRIORS?

Jack will learn of the individuals who throughout history have been most intimately connected to his quest, but not before he and his friends find out exactly what the end of the world looks like...

Area 7, By Matthew Reilly

A HIDDEN LOCATION

It is America's most secret base, a remote installation known only as Area 7.

THE VISITOR

And today it has a guest: the President of the United States. But he's going to get more than he bargained for on this trip. Because hostile forces are waiting inside...

HIS SAVIOUR

Among the President's helicopter crew, however, is a young marine. His name is Schofield. Call-sign: SCARECROW. Rumour has it, he's a good man in a storm. Judging by what the President has just walked into, he'd better be...

Health & Wellbeing

Our school offers breakfast on Tuesdays and Thursdays. Students have toast, milk, fruit, and we also do special breakfasts, for example, pancakes. Come along!

At St. Arnaud Secondary College, we can organise Food Bank Hampers for families. If your family require assistance, please contact Rosanne Chapman, Student Wellbeing Student Support Coordinator, at the College on 54951 811.

Inquiries are treated confidentially.

We thank Foodbank Victoria for helping us to support our families.

Strengthening Parent Support Program

What is the Strengthening Parent Support Program (SPSP)?

It is a program for parents and carers of children who have additional needs, a disability or developmental delay.

This parenting support program provides families with opportunities to participate in peer support groups and establish support networks with other families or carers in the local community.

The SPSP program is run by Uniting in Horsham but also reaches communities in the surrounding regional areas. Please contact the co-ordinator Kate Janetzki for further information.

You can also keep up to date by joining our Facebook page; <https://www.facebook.com/auops/390018412226828>

Support group activities may include a night out at movies and dinner, an informal lunch and chat or seminars/workshops covering a range of helpful and educational topics.

Australia Day 2024

Northern Grampians Shire Council have begun preparations for Australia Day celebrations in 2024.

To make the day as inclusive as possible, we are running competitions for young people who live in the Northern Grampians. For all schools in the shire, we have three categories for young people to enter:

- Photography – A photo depicting what they love about living where we do
- Drawing/Art – A drawing or painting, of any medium, again depicting what they love about living where we do
- Colouring - I enclose two colouring pages for students to select from

Closing date will be Friday, 12th January 2024, judging will take place and winners announced at Australia Day celebrations in St. Arnaud on Friday, 26th January 2024.

Also, nominations are now open for Local Awards. We would appreciate your school sharing the message to nominate a person or group who have made a significant contribution to our community.

Nominations are preferred online at: [Northern Grampians Australia Day 2024](#). Or you can contact us if you require alternate ways to nominate.

If you have any queries or require further information, please contact me on (03) 5358 8770 or via email at: rhian.jones@ngshire.vic.gov.au
